INTRODUCTION

This policy has been created to provide a framework for staff, pupils and parents in developing and maintaining an ethos of exemplary conduct. Such an ethos will enable pupils to work in, and have responsibility for, a calm, purposeful and orderly environment. It will enable staff to work in, and have responsibility for, an environment where learning and teaching are respected and valued. Finally, the policy will allow parents to have confidence their child is learning in an academic environment and is safe, respected and equally valued.

The policy is underpinned by the Pupil Code of Conduct as this sets out our expectations of pupils. The Code of Conduct is not an aspiration but a consistent expectation of every pupil. We believe in our pupils and we believe each and every one of them wants to conduct themselves to the highest standards and that these high standards will serve them well both at academy and into adulthood. The Code of Conduct will enable pupils to develop habits of excellence and foster a sense of inner discipline, self-regulation and respect for the rights of others.

Teachers will support pupils in working within the Code of Conduct by setting high academic expectations, structuring and delivering high quality lessons, creating a strong classroom and academy culture, setting and maintaining high behavioural expectations, leading by example and by building character and trust. The principles and techniques by which we will create a strong classroom culture are set out throughout the policy.

We believe that very clear and well-explained daily and weekly routines will enable pupils and staff to concentrate on the core business of teaching and learning in a well-structured and consistent environment. Staff and pupils are expected to abide by these routines at all times to ensure the highest levels of consistency.

We want the academy to be not only an exceptionally successful academic environment but also one in which pupils receive regular praise for making the right choices and conducting themselves well. Exceptional work, conduct, effort and demonstration of good character will be formally acknowledged and rewarded and this is set out in the Rewards section.

We are keenly aware that our pupils will make mistakes and this is part of the learning process and growing up. Where pupils act in a manner that is detrimental to their own well-being or the well-being of others they will be sanctioned. Sanctions are not there to punish but to help pupils understand they have done something wrong. Sanctions will always be carefully explained and pupils will be given an opportunity to reflect on the matter with some adult guidance. The 'Sanctions' section specifies sanctions that the academy will use to support pupils. Pupils who need help in addressing behavioural, emotional and social difficulties will have access to a range of support.

1. PRINCIPLES OF BEHAVIOUR MANAGEMENT

At Ark Victoria Academy, we are aiming to create a place where pupils work hard, conduct themselves well, develop self-discipline and belief, model strong character and support their classmates.

Teachers and other staff will achieve this by aiming to create and maintain a safe and supportive climate for learning, underpinned by:

- High Quality Teaching
- A stimulating learning environment
- Effective Rewards and Sanctions

Inherent in this policy are the following principles of good management of the teaching space:

- a) Learning is structured and organised in such a way that high expectations of behaviour and attitude are set and are made clear.
- b) A positive climate for learning is established through the use of routines, rules, sanctions and rewards.
- c) Students are engaged in learning through the use of a range of techniques and strategies.
- d) Teachers display the high value in which they hold education through their own professional and positive attributes to students. This can be clearly seen in the way that they model the language of mutual respect, their avoidance of over reaction and confrontation and their capacity to adopt a problem solving attitude to issues in the classroom.

5. CONSEQUENCES OF POOR BEHAVIOUR

At Ark Victoria Academy, pupils are expected to follow our core behaviour expectations. Poor behaviour is a choice made by a pupil. If pupils are not meeting these expectations, a number of measures will be put into place in order to support pupils to do so. All sanctions will be an opportunity for pupils to understand, reflect upon and correct what went wrong. These sanctions include but are not limited to:

- Verbal Warning
- Detentions- Recorded onto the school MIS
- Reflection time within class
- Removal from class- Recorded onto the school MIS
- Discussions with the Head of Subject/ Head of Year/ Senior Leadership Team
- Contact with parents
- Parent meetings
- Reflection
- Exclusions

Our policy is based around two main aspects of poor behaviour:

1. Low Level Disruption
2. Serious Behaviour Incidences

Behaviour Thresholds (appendix 1)

In deciding on a sanction, the academy will make a decision based on the evidence in relation to the balance of probability. Therefore, a pupil may be given a sanction for an action /involvement in an incident that he/she denies. The academy will always conduct an investigation, which can result in sanctions being decided upon several days after an incident. For a more serious incident, previous behaviour/information will be taken into consideration.

Senior staff will take into account the context of an incident before deciding on the appropriate sanction, including mitigating circumstances. Pupils' age will be taken into account as well as the context of incidents that occur during lessons such as a sporting activity. In any physical altercation, self-defence will be taken into account; self-defence cannot, however, involve any physically aggressive actions such as punching and/or kicking.

Behaviour Stages (appendix 2)

Respect for Adults

Respect for adults at Ark Victoria Academy we believe that all adults working within the academy deserve a high level of respect from pupils at all times.

We will not tolerate:

- Pupils publicly disagreeing with a member of staff's sanction (verbally or otherwise).
- Pupils failing to follow staff instructions immediately and with a sense of urgency.
- Pupils making disrespectful comments about a member of staff.
- Pupils making disrespectful comments towards a member of staff.
- Pupils being aggressive towards staff. A pupil can ask to speak with the member of staff in private (at

a time convenient for the member of staff). If a pupil feels that they have received a detention unfairly, they can speak with SLT after detention.

Low Level Disruption

Low Level Disruption can have a detrimental impact on the life chances of students as the time for learning is affected and the climate for learning is compromised. The typical features of low level disruption include:

- Talking unnecessarily.
- Calling out without permission.
- Being slow to start work or follow instructions.
- Showing a lack of respect for each other and staff.
- Not bringing the correct equipment.
- Late to lesson.
- Poor transition around the building Chewing/ Eating
- Uniform issues.
- Packing up before the end of lesson.
- Opting out of questioning sessions (by defaulting to 'I don't know').

The teacher will use the classroom management system in order to tackle low level disruption, they will use positive and affirmative discipline to create a positive climate for learning. If this is not effective in re-engaging pupils with learning, then the teacher will assign the appropriate sanction as necessary.

Written Warning in Lessons

Within lessons a C2 will be issued when our expectations are not met. This is when poor behaviour is persistent and not corrected following a verbal warning (e.g. talking, unfocussed in lesson).

Self- Management

In the secondary phase, pupils are expected to Self-Manage their behaviours and meet the Academy's expectations in and around the building, including within lesson. When behaviour displayed is clearly contrary to the Code of Conduct and established expectations staff will issue a sanction for poor self-management (e.g. Poor Uniform, Poor Transition, Lack of Equipment, Late to Lesson < 5 minutes, Litter, Graffiti, Chewing/ Eating, Poor Socialisation).

These result in escalating sanctions as set out below:

In Primary:	In Secondary:
Verbal Warning	Warning
Formal Warning	
Reflection time in class	C1- subject teacher (15 minutes)
Removal from class	C2- After School (30 minutes)
Removal from break/ lunch time privileges	C3 - Removal from lesson (which will include a 60 minute detention)
	C4 – SLT. Extended Friday Detention for students who have received three or more detentions in the week (90 minutes after school)

Throughout the escalation process, parental contact will be made through the planner, by text message and through phone calls and face to face parental meetings. Where a case is referred to Senior staff, a sanction will be issued as is deemed appropriate (e.g. Exclusion)

In the tracking of behaviour over time, those pupils who regularly disrupt lesson and the learning of others may also have additional consequences:

- Parental meetings.
- Pupil written reflection and apology
- Report
- Community Service
- Extended detentions
- Training Day “Catch Up” detentions
- Reflection
- Re-integration meetings to re-visit the Home Academy Agreement and Code of Conduct
- Fixed Term Exclusion
- Isolation Placements
- Sharing Panel referrals/ managed move placements
- Alternative Provision
- Permanent Exclusion

Detentions- applicable only in Secondary

In addition to warnings and poor self-management sanctions, pupils will have Detentions for failing to meet the expectations set out in the behaviour policy.

Detentions will run as follows:

- a If a student is choosing to act in way that is contrary to the academy values or disrupts the learning of others staff will issue a first warning. Behaviours that are contrary to norms such as swearing, being defiant or purposely defiant behaviour will not receive a warning.
- b If students do not moderate their conduct following the formal warning then staff will issue a C1 consequence. A C1 will result in the student sitting a 15 minute detention at break or lunch.
- c If the student continues to choose to behave in a way contrary to the code of conduct then the consequence will escalate. A further consequence of C2 can be issued which will escalate the detention to a 30 minute same day detention. Equally if a student receives more than one C1 in a day this then becomes a C2 detention.
- d For more serious conduct infractions, teachers can issue a C2/C3 consequence directly without first having issued a C1.
- e Actions such as being late to the academy or failing to hand in homework on time or to the required standard also carry C1 consequences and corresponding detentions.
- f Each week Heads of Year analyse behaviour data to identify patterns and to suggest supporting interventions. If a student has been issued with a serious breach in behaviour or three or more detentions in the same week then they will serve an additional 90 minute detention on a Friday evening with a member of SLT.
- g Students are collected from registration in the afternoon and are escorted to the detention hall.
- h Students are expected to work silently and steadily on the work provided whilst in detention.
- i The same behaviour steps apply whilst in detention. Students will be given one warning if they are off task or being disruptive in anyway. After this persistent poor behaviour will result in the detention being ‘failed’ and it will have to be re-issued and re-sat the following day.

Other behaviours that may result in a detention are listed below, although this list is by no means exhaustive:

- a) Being rude and disrespectful to a member of staff
- b) No completing work or homework to the required standard
- c) Inappropriate language towards others
- d) Bullying (this may include verbal bullying as well as physical and could lead to reflection, isolation placement or a fixed term exclusion)
- e) Defiance (this could lead to a Reflection or fixed term exclusion).

Lesson removal

If a pupil's behaviour is disruptive to the learning of others, the pupil will be removed from the lesson to complete work with an appropriate member of staff, such as the Head of Subject. A further sanction will be issued following the Head of Subject's investigation, including a minimum of a 1 hour Detention (C2). In addition, a reintegration meeting involving a restorative conversation between the pupil and member of staff will be held where necessary. Pupils will be returned to lessons where appropriate. More than one lesson removal in a day will lead to a pupil being placed onto Subject report which may then result in a Reflection placement due to the impact on the learning of other pupils.

Serious Incidences

When a serious incident has occurred at the academy, a full investigation will be undertaken. This will involve taking accounts from pupils and staff where needed. Parents will be informed where appropriate. At times we may need to isolate a pupil during an investigation, meaning that they may be removed from planned activities. On completion of the investigation, parents will be invited to attend a meeting to discuss the incident, any appropriate sanction and how to resolve the situation.

Examples of serious incidences may include but are not limited to:

- Cheating on a test
- Truanting lesson
- Mistreating academy property or the property of others
- Verbal aggression towards others
- Physical aggression towards others

Bullying, Homophobic and Racist incidents Bullying Incidents

Incidents of bullying will usually be dealt with as follows:

- All allegations are logged and investigated. If found or suspected to be bullying, on the first occasion an informal warning is given and a record is kept of this conversation;
- Subsequent acts found to be bullying may result in a formal warning being given and a meeting with parents/guardians is held.
- Formal warnings are logged as 'bullying' on the pupil's academy record.
- The above action is dependent on the severity; a further informal warning or a higher level sanction may be given outside the above protocol.

Please refer to Ark Victoria Academy Anti-Bullying Policy for further details.

Racist Incidents

All incidents of a racist nature will be logged on the school MIS. The appropriate sanction will be set and parents/guardians will be notified of the incident.

Homophobic Incidents

All incidents of a homophobic nature will be logged on the school MIS. The appropriate sanction will be set and parents/guardians will be notified of the incident.

Poor Uniform

All poor uniform will be sanctioned using the behaviour system in the first instance. The warning system works to remind pupils of the importance of adhering to uniform rules. If pupils continue to fail to meet the academy's expectations around presentation further sanctions may be implemented. This can be either loss of social time and/or detentions and/or time spent within the Reflection room as decided by HoY. We are committed to ensuring pupils learn how to dress appropriately for formal situations such as school and the workplace and expect parents/ carers to work together and support us with this.

Higher Order Sanctions

Permanent Exclusion

Permanent exclusion will be considered if a pupil:

- a. Is in persistent breach of the provisions of this policy and as a result of his/her actions there is a serious detrimental impact on the welfare and education of other pupils or staff at the academy, or
- b. Commits a serious breach of the behaviour policy by being involved in what may be termed an exceptional 'one-off' incident and as a result of his/her actions there is a serious detrimental impact on the welfare and education of others attending the academy. There is no comprehensive list of exceptional incidents and pupils and parents should be aware that these will cover actions which constitute unlawful acts whether or not they result in criminal prosecution. This sanction will also apply if the actions of a pupil take place outside of the academy (whether or not in uniform) and are of such a nature that the reputation and good standing of the academy is brought into disrepute.

The following will usually lead to permanent exclusion:

- Serious actual or threatened violence against, and/or injury to a pupil, a member of staff, or a member of the general public (this includes arranging for a group of pupils from another academy to congregate outside of the academy);
 - sexual abuse or assault;
 - possession or supply, directly or indirectly, of an illegal drug in academy and/or to Ark Victoria pupils out of the academy;
 - carrying an offensive weapon including replica weapons;
 - A criminal conviction;
 - Persistent racist, sexist and homophobic behaviour (including religious-based discrimination);
 - Persistent disruption of lessons and/or persistent behaviour that is detrimental to the learning of others;
 - Persistent defiance towards members of staff and refusal to follow legitimate instructions.
 - Bringing the academy into disrepute.
- c. The academy can make arrangements for a pupil to be educated through alternative provision if he/she has been involved, or suspected of involvement, in a criminal activity, both in or out of

academy.

Governor's behaviour Warning Meeting

Behaviour warning hearings are meetings arranged by the school between parents/pupil and governors to impress upon the pupil that his or her persistent breaches of the behaviour policy are placing them at risk of permanent exclusion

Managed Moves

If a student has received a number of fixed term exclusions and the strategies that have been put in place to support this pupil have not been effective, then it may be appropriate to arrange a Managed Move with another school. The referral procedure is by Deputy Head Pastoral to the Pastoral Lead at the receiving school.

The purpose of a managed move is to give a student a "fresh start" in a new school. This placement is then closely monitored by the home and the host school. The aim is for the pupil to be successful with the managed move and to go on the roll of the new school.

The managed move may be arranged with another school in the Ark network (e.g Ark Boulton or Ark Kings) or with another local school either informally on a school to school basis or through the sharing panel. The need and referral for a managed move is done on a case by case basis and is agreed by SLT.

Managed moves are an alternative to permanent exclusion and the academy reserves the right to proceed to permanent exclusion if the pupil fails the managed move by not fulfilling the behaviour requirements set out as part of the initial managed move meeting.

Alternative Provision

For pupils who are at risk of permanent exclusion, or for pupils receiving a fixed-term exclusion beyond 5 days, the academy will try to arrange alternative provision with local providers. The academy will work with Birmingham City Council as necessary to arrange this provision. In addition, if the Principal believes there are specific reasons such as health and safety, that a pupil needs to be educated off site, he/she will be entitled to make arrangements for alternative provision to be put in place.

Fixed Term Exclusions

The length of exclusion will generally increase for persistent misbehaviour. For more significant

incidents, however, the length of time of the exclusion will reflect the seriousness of the situation when alternative provision will also be considered.

In addition the academy may choose to issue a fixed term exclusion while an investigation of serious behaviour incident is on-going.

The following will usually lead to a fixed-term exclusion:

- Acts of physical aggression or incitement to physical aggression (including assaults on other pupils);
- Indirect physical incidents with a member of staff by a pupil due to his/her irresponsible behaviour;
- Persistent and/or malicious refusal to follow staff instructions or to adhere to the expectations of the academy as stated above;
- Persistent and/or malicious refusal to follow the academy behaviour policy, other academy rules, discipline and uniform code;
- Possession and/or use/consumption of any of the following:
 - i) Illegal drugs
 - ii) Chemicals, solvents
 - iii) Alcohol
 - iv) Stolen Items
 - v) Possession and/or use of any of the following:
 - Pornographic materials (including misuse or attempted misuse of ICT equipment);
 - Replica weapons;
 - Any articles deemed offensive.
- Acts of abuse of any nature including incitement to abuse on religious, racial, age or gender related grounds;
- Acts of persistent and/or malicious bullying (including cyber bullying);
- Malicious accusations against academy staff;
- Acts of behaviour that are dangerous or deemed to endanger the health, safety and wellbeing of any person associated with the academy and/or academy property;
- Acts of contaminating food or drink which is likely to be consumed by staff or pupils;
- Acts of using any sharp object inappropriately;
- Acts of defiance to member of staff (repetitive behaviour could lead to a permanent exclusion);
- Acts of swearing directly at a member of staff;
- Acts of vandalism or damage;
- Any act, either by word or deed which brings the academy into disrepute (could be internal depending on the incident); this includes any mention of Ark Victoria Academy on social media;
- Inability to remain within the spirit and provision of the academy's published discipline policy, Home-Academy Agreement and any subsequent contracts;
- Theft from pupils, staff, visitors, academy property, the academy's canteen and/or shoplifting;
- Burglary of the academy at any time;
- Recording anti-social behaviour, including fighting, bullying, homophobic or racist comments or incidents and assaults of any description;
- Acts of inappropriate use of technology (see ICT Acceptable Use Policy);
- Acts of fraudulent behaviour, including forgery and plagiarism, for any examination work;
- Setting off the academy fire alarm without good reason.

Reflection

Reflection is the most severe, internal consequence within the academy. Pupils are secluded from lessons and spend their day, supervised in the Reflection room. Pupils complete curriculum work, spending their break and lunch time in the room. Their lunch is brought to them.

The day starts at 08.25 and finishes 60 minutes after the end of the normal school day.

Parents are informed of Reflection and the reasons for it by phone call from a Head of Subject, Head of Year or member of the senior leadership team. They will also receive a letter outlining the reason for the Reflection and the date of the Reflection. The exception to this is when a pupil has missed a detention and it has escalated the sanction to time spent in the Reflection room. Parents will be informed of this via text message.

There may be some situations within the academy day where pupils are removed from lesson and placed within the Reflection room. This may include but is not limited to when they have truanted or have been removed from lesson.

Following the time spent in Reflection, before the pupil returns into lessons within the academy, the pupil and parents will need to attend a re-integration meeting to ensure that the pupil has reflected upon the choices that they have made and that they are able to comply with the academy rules and the Code of Conduct.

The following will usually lead to Reflection from lessons:

- Persistent or repetitive acts of bullying (including cyberbullying);
- Repeated acts of racist or homophobic abuse;
- Acts of defiance to a member of staff, including walking out of a classroom without permission (repetitive behaviour will lead to fixed-term /permanent exclusion);
- Acts of behaviour that prevent teachers from teaching and/or pupils from learning;
- Visits to other academies at the start and end of the academy day without good reason and without permission from parents/guardians and/or staff from either academy;
- Acts of defiance towards a member of staff;
- Acts of inappropriate conduct towards staff, other pupils or members of the public;
- Acts of encouraging fighting or being a spectator of a premeditated fight (could be a fixed-term exclusion);
- Acts of directly swearing at, and/or using abusive language towards, other pupils;
- Acts of plagiarism;
- Repeated failure to attend a detention;
- Smoking:
 - i) Acts of smoking, including holding a lit cigarette, in the vicinity of the academy grounds, in or out of academy uniform on an academy day (any repetitive behaviour will lead to a fixed-term exclusion);
 - ii) Possession of cigarettes (including smoking-related equipment) and/or association with pupils who are smoking;
 - iii) Possession of 'e cigarettes' or shisha pens, or similar.

Incidents occurring outside of the academy

Subject to the academy's behaviour policy, a teacher may discipline a pupil for any misbehaviour when:

- taking part in any academy-organised or academy-related activity or;
- travelling to or from academy or;

- wearing the school uniform or;
- in some other way identifiable as a pupil at the academy.

A pupil may also be disciplined for misbehaviour at any time, whether or not the conditions above apply, that:

- could have repercussions for the orderly running of the school or;
- poses a threat to another pupil or member of the public or;
- could adversely affect the reputation of the academy.

The law supports schools taking action for incidents that occur outside of school. The academy will apply sanctions for any incident that occurs when pupils are in school uniform and/or are clearly representing the academy.

For incidents that occur clearly outside of academy hours, eg. at the weekend or during school holidays, the academy will deal with each one on an individual basis, depending on the nature and seriousness of the event.

Joint enterprise

The academy takes the same position as the law in terms of individuals being collectively held responsible for an incident involving group behaviour which, in the context of an academy, is deemed to be irresponsible and/or inappropriate; therefore, pupils must remove themselves from a situation rather than being spectators.

Searching Pupils

The academy's policy is based on the following DfE advice and Education Act 1996 (DfE Searching, Screening and Confiscation- Advice for Schools January 2018):

The academy is allowed by common law powers to search pupils. A member of staff can ask pupils to turn out his/her pockets or a member of staff can look in the pupil's bags.

The Principal and authorised staff have a statutory power to search pupils or their possessions without consent, where they have reasonable grounds for suspecting that the pupils may have any of the following prohibited items:

- knives or weapon;
- alcohol
- illegal drugs
- stolen items
- tobacco/cigarette papers
- fireworks
- pornographic images
- any article that the member of staff reasonably suspects has been, or is likely to be used to commit an offence or to cause personal injury, or damage to the property of, any person (including the pupil).

Members of staff can use such force as is reasonable given the circumstances when conducting a search for the item listed above

Reasonable force

Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, damaging property, or to ensure the safety of pupils or staff in the

classroom. Authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm.

All incidents where reasonable force or restraint have been used are logged.

Truancy

Truancy from a single lesson will usually result in a Detention (C2). Should a pupil truant repeatedly, then they will receive a more severe sanction as determined by their Head of Year or SLT. Please see attendance policy for further detail.

6 SUPPORT

At the academy we understand that some pupils will need support to enable them to meet our behaviour expectations and to make best use of the opportunities presented by the academy. Support for behaviour will be specific, intensive and within a timeframe. Whilst fully acknowledging and supporting

the needs of some pupils we are also very mindful of the needs and aspirations of the wider pupil body and will not allow persistent long term disruption of learning or abuse of pupils and staff.

Staff will receive regular training on meeting the needs of pupils with behavioural, social or emotional difficulties and we aim to primarily meet needs through the adoption of consistent and effective teaching techniques in the classroom.

The following support will also be available at Ark Victoria Academy and the Inclusion Lead and Head of Year will decide on how this support is used to support pupils on a case by case basis:
