

Dear children,

I hope you and your families are all well. It has been such a long time since we were all in school together and I am missing you all.

This week Ark Victoria has re-opened for children in Year 6, Year 1, Reception and Nursery. We have done lots of things to make the school as safe as possible for you and it has been so lovely to see some of our children returning. Remember if you are in these year groups and would like to come back to school please do let the school office know and we can arrange a place for you. The school does feel very empty with only a small number of children here and I am missing seeing your smiling faces, watching you working hard in classrooms and chatting to you all on the playground. Hopefully it won't be too long until we can all be together again.

The work in this pack is for all of you who are still working very hard at home. You haven't been at school for quite a while now so it is important that you complete the work each week so you are ready to come back once you are able to. Don't forget to go on our website for more resources and videos your teachers have made. Please keep in touch and send your work, photos and messages to [primaryhomelearning@arkvictoria.org](mailto:primaryhomelearning@arkvictoria.org).

This half term you will be practicing lots of the skills we think you need to be ready to go into a new year group in September – this will be same for the children who are working in school and those who are working from home. Keep working hard and remember to read as much as you can at home 😊

My children have been keeping me busy at home! It was Jude's birthday and he was very excited to get a new football kit and Harry Potter and the Chamber of Secrets. Here is his birthday cake that his Auntie made for him! We have also been to our local park and collected lots of natural things in different colours to do some Andy Goldsworthy art work which Martha really enjoyed.

Take care everybody; keep working hard and be kind to yourselves and your families.

Mrs Twort
