STAY AT HOME

PROTECT THE NHS

save lives

Headteacher's Welcome:

I hope you are all still keeping safe, well and positive. It was lovely to hear different examples of how kind you have been over the last week - well done everyone. I've also enjoyed hearing how hard you are working from home and seeing examples of your super work being sent into our primaryhomelearning.org e mail address.

In my assembly this week I talked about being worried - it is totally normal that we might feel a bit worried at the moment. If you are feeling a bit worried then you could write or draw what your worries are, then you could talk to an adult at home or over the phone (including talking to your teacher when they call). It is important to talk to about any concerns you might have and not bottle them up inside.

Another thing you can do is try to find things to do that make you smile and take your mind off any worries. If you have the internet at home you could go on a virtual tour of a museum, theme park or safari park ([Longleat](#) virtual safari is fantastic); doing some exercise can help lift your mood (Joe Wickes, [cosmic yoga](#) or Mr Keen!); read / listen to audio books which are proven to relax your body or do some calming art activities.

Keep safe everyone

Mrs Twort

We are so impressed with these pieces of work! Well done to everyone who has been working hard.

Miss T. Begum's Recommended Read:

Holes tells the story of Stanley Yelnats, a misfortunate boy who is sent to a juvenile detention centre in the desert for stealing a pair of trainers that belonged to a famous sportsman.

It is one of my favourite books because it has many genres: there's mystery, adventure and even comedy so everyone can enjoy it. The characters are very unusual but at the same time very relatable, it is easy to empathise with the characters and you quickly become very interested in their story.

Holes also teaches you lessons about friendship, loyalty, accepting others and forgiveness all whilst entertaining you with a clever plot. A definite must read!

Staff Section:

Mrs Abbas has been busy doing lots of school work, but she has also been cooking lots of food and painting a rainbow. Here are some pictures of what Mrs Abbas has been doing.

Miss Tweedie has been busy doing lots of school work too. She has also done lots of baking, quizzes with friends and some diamond pictures. Here are some pictures of what Miss Tweedie has been doing.

Miss L. Green has been busy working from home. She has also been spending her spare time baking some delicious cakes. Every Thursday night, she claps for all the doctors and nurses, she drew a picture to put in her window too.

Miss Akhtar has been busy working from home too. She has been playing some games and quizzes with her friends and she has been baking some yummy treats. She has also completed a 1,000 piece jigsaw with her family.

We really hope to see you soon.

Miss Judge and the Year 1 Team We miss you so much. We hope that you are keeping safe and staying home.

We would love to see your work. Please e-mail any wonderful work to primaryhomelearning@arkvictoria.org.

If you have access to the internet, don't forget to log on to the academy website. We have filmed some videos to help you. Check out the Year One section.

If you have any questions, we will be calling you soon – we can't wait to speak to you!

I have been writing a diary every day and reading every evening. I have also been doing the Joe Wicks workouts and going for long walks. I can't wait to hear about what you have been doing.

Miss Lawrence has been busy doing lots of arts and crafts activities with her daughter Edie. She has also found the time to start a painting of her pet bulldog Delilah. It's not finished yet but she has enjoyed having the time to create her own work again.

Miss Lawrence hopes you are all well and you are practicing your drawing and painting skills too.
