

20th April 2021

Dear parents and carers

Welcome back to the summer term! I hope that you have all had a restful Spring break and that your children have enjoyed coming back into school. We have been very pleased to see our pupils and with the way the term has started.

This term is very busy with a variety of different activities and events. This half-term Y11 students will be sitting their GCSE assessments and their teachers will be marking and moderating the assessments and then generating the Centre Assessed grades. Y11 parents will receive detailed information about the assessment period and the generation of Centre Assessed Grades.

Pupils across the school will be under-going diagnostic tests and working hard through the curriculum. The summer term will also be packed full of pupil experiences and activities such as Sports Day, a celebration of World Earth day and many other wonderful events. We will also be planning for the year ahead and helping each year group to transition well into the next year.

We will be communicating to you throughout the summer term through parents' evenings and full school reports, including assessment information which will help you to see exactly where your child is. We are confident that our pupils continue to make good progress and that the summer term will really help us to consolidate learning and prepare them effectively for the next academic year. We will also arrange for some coffee mornings to talk to you about your thoughts and views on the school.

Our INSET dates have changed in part to accommodate the Y11 GCSE Centre Assessed grades.

The following dates are our new INSET dates, where students are not required to be in school, for this term:

Summer half-term 1

Primary only: **Thursday 13th May**

Secondary only: **Monday 24th May**

Summer half-term 2

Secondary only: **Monday 7th June**

Primary and Secondary: **Friday 2nd July**

Term will end on Wednesday 21st July at lunchtime – further details will be shared with you closer to the time.

Thank you for your continued support and please

Very best wishes

Ms E. McSorley
Principal All Through
