

24 January 2022

Dear Parent/Carer,

I am delighted to inform you that as part of Year 2's Geography topic "Australia", the children will take part in a full day of exciting activities on Tuesday 8<sup>th</sup> February 2022.

As part of this day, children will take part in stimulating and fun science, music and art lessons.

In addition, children will enjoy a workshop with the company 'Animals in hands,' where they will have the opportunity to learn about the rainforest and see real animals, with the guidance of an expert 'animal man'.

This experience will be offered to the children free of charge.

We are really looking forward to this workshop and sharing this exciting day with your child.

Kind regards,

**Y Kosar**
