

06 December 2021

Dear Parent/Carer,

Year 5 Explorer Dome educational visit, Friday 10th December 2021

On Friday 10th December, Explorer Dome (www.explorerdome.co.uk), will be visiting Ark Victoria with their mobile planetarium to provide an unforgettable lesson around space and planets. This will support learning of our science unit on this topic and also give the children a very enjoyable experience before the Christmas holiday.

To aid the school with the cost of the event, a voluntary donation of £2 per child is requested, which should be paid online via Parentpay. This will help the academy to ensure that future events for our children are possible and that they benefit from the widest range of experiences possible. Please contact our office staff if you need any guidance with using Parentpay.

Kind regards,

C Yule

Mr C Yule - Head of Year 5

Please complete and return the slip below:
